Subject: Initial Discussion on 316(b) Instructional Memo Call: 1-866-299-3188, [REDACTED]
Start: Friday, May 23, 2014 5:30:00 AM
End: Friday, May 23, 2014 6:30:00 AM
Location: DCRoomWest6231F/DC-CCW-OST

The purpose of this call is to have an initial discussion about the instructional memo EPA is committed to issuing in coordination with the Services under the terms of the ITS. I realize some of the EPA folks will not be able to make the call and that's OK. If you can call in, please do. I am pretty sure Julie, Marcus and Alexis plan to participate from EPA and Cathy and Drew are confirmed. Thanks,

Rob
